

3D STANDING TREE ADVENT CALENDAR

page 1

YouTube creative make
https://youtu.be/5OFm_aaJFLI

- 1 Print out all 5 pages.
- 2 Cut out all 25 of the circle peices on page 1.
- 3 Stick page 2 onto cardboard and cut out around tree shape.
- 4 Cut out page 3 tree shape and stick onto the reverse of cardboard with page 2 on.
- 5 Stick page 4 onto a new bit of cardboard and cut around tree shape.
- 6 Cut out page 5 tree shape and stick onto the reverse of cardboard with page 4 on.
- 7 Carefully cut along the black slots lines on both pieces of cardboard.
- 8 Slot together both tree pieces to make a free standing tree.
- 9 Each Decemeber day, colour in one of the cut out circles from page 1 and stick it on the tree. You get to decide which one goes where!
- 10 On Christmas day you will have a beautiful Olobob Christmas tree!

Happy
Christmas
from all of
the Olobobs!
