

“olobob hat” make

-cut some strips of card and a big card shape with a straight edge.

-punch holes along the card peices

-twist 2 or 3 pipe cleaners together

-thread the long pipe cleaner through the punched holes in card then twist the pipe cleaner together to form a crown that fits

-cut out other card shapes and slot them under the pipe cleaner stitches where the big card shape is

-decorate with sticky foam shapes and sticker spots
